

**SAVANNAH RIVER BASIN
SURFACE WATER AVAILABILITY ASSESSMENT
INVITATION TO PARTICIPATE
AUGUST 10TH FROM 2-4 PM
CITY OF NORTH AUGUSTA MUNICIPAL CENTER,
NORTH AUGUSTA, SC**

PURPOSE: Create an opportunity for interested stakeholders in the *Savannah River Basin* to learn about this assessment, timeframe, expectations, and ways to stay involved.

MEETING OUTLINE:

- Hear from DNR and DHEC on assessment objectives
- Meet the surface water team and see the model framework
- Learn about the ways that your organization can assist in creating a more true model of SC surface waters and how to stay involved

LOCATION: City of North Augusta Municipal Center, 4th Floor Terrace Room, 100 Georgia Avenue, North Augusta, SC 29841

Please expect regular updates, meeting materials and information on ways to participate in these river basin assessments at www.scwatermodels.com.

State of South Carolina

Savannah River Basin Advisory Council

The SC Savannah River Basin Advisory Council will also meet prior to the Surface Water Availability Assessment Meeting from 10 a.m. to 1 p.m. at the same location.
